### Description

The 2026 Ford Ranger 2.0 Biturbo Double Cab Wildtrak 4x4, in a sleek white finish, is designed for those who demand both power and practicality. This robust vehicle is equipped with a front-positioned 2.0 turbo diesel engine, delivering an impressive 154 kW of power and 500 Nm of torque. With its i4 cylinder layout, the Ranger ensures a smooth yet commanding performance on and off the road. The 80-liter fuel tank offers an average consumption of 7.5 l/100 km, granting you a fuel range of approximately 1,067 km, making it ideal for long journeys or weekend adventures. The Ranger Wildtrak 4x4 is not just about performance; it's also built for comfort and reliability. Its double cab design provides ample space for passengers and cargo, while the 4x4 capability ensures you're ready to tackle any terrain with confidence. With a manufacturer warranty in place, you can drive with peace of mind. The average CO2 emissions stand at 195 g/km, reflecting an

environmentally conscious design without compromising on power. Whether you're navigating city streets or exploring the great outdoors, this Ranger is equipped to meet your needs with style and efficiency.
