Description

Experience the robust power and versatility of the 2023 Ford Ranger 3.0 V6 Double Cab Wildtrak 4WD in vibrant Cyber Orange. This model is engineered for both rugged terrains and city roads, boasting a 3.0 turbo diesel V6 engine that delivers an impressive 184 kW of power and 600 Nm of torque. Its efficient design ensures an average fuel consumption of 8.4 l/100km, allowing a generous range of up to 952 km on a single tank, making it an ideal companion for long journeys and demanding tasks. The Ford Ranger Wildtrak offers a blend of strength and sophistication, equipped with four-wheel drive capabilities to tackle any adventure. It comes with a comprehensive warranty, giving you peace of mind on every trip. With its commanding front-engine layout and a fuel capacity of 80 liters, this vehicle is designed to meet the needs of those who require reliability and performance in a stylish package. Whether you're navigating urban landscapes or exploring off-road trails, the Ranger Wildtrak stands ready to

enhance your driving experience.
