This compact car, dressed in Pearl Arctic White with a Black accent, stands out with its modern design and practical features. Powered by a front-positioned 1.2-liter i3 petrol engine, it delivers a peppy 60 kW while maintaining an impressive average fuel consumption of just 4.4 liters per 100 km. Enjoy a smooth drive with a top speed of 170 km/h, and travel longer distances with an average fuel range of 841 km. Equipped with a robust warranty covering up to 200,000 km, the Swift 1.2 GL+ is designed for peace of mind and reliability. Inside, the cabin offers a comfortable and intuitive driving experience, making it an ideal choice for city dwellers and daily commuters. With low CO2 emissions of 102 g/km, it is an environmentally conscious choice too. This Suzuki Swift is not just a car; it is a smart investment for those seeking a balance of performance, economy, and style.

Simon Vermooten Rd, Waltloo, Pretoria, South Africa
