Description

The 2026 Suzuki Fronx 1.5 GLX Manual is an ideal blend of efficiency and performance, making it a practical choice for both urban commuting and weekend getaways. Powered by a 1.5-liter i4 petrol engine, it delivers 77 kW of power and 138 Nm of torque, ensuring a responsive drive. With an average fuel consumption of 5.5 l/100km and a fuel range of 673 km, this vehicle offers impressive economy and fewer stops at the pump. The front-engine layout and manual transmission provide a dynamic driving experience, while the top speed of 175 km/h ensures that highway journeys are smooth and swift. Finished in a sleek grey, the Fronx 1.5 GLX combines style with practicality. Its compact design suits tight city streets, yet it offers ample interior space for comfort. The car comes with a manufacturer warranty, adding peace of mind to your purchase. Additionally, with CO2 emissions at 129 g/km, it's an environmentally conscious choice for today's motorists. Whether you're navigating the city or exploring the open road, the Suzuki Fronx delivers reliability, efficiency, and versatility in one attractive package.

Simon Vermooten Rd, Waltloo, Pretoria, South Africa
