Description

The Ford Ranger 3.0D V6 Platinum Double Cab 4WD 10AT is a premium flagship bakkie that blends commanding diesel performance with refined comfort and modern technology. Powered by a robust 3.0-litre twin-turbo diesel V6 engine paired with a smooth 10-speed automatic transmission and a capable 4WD system, it delivers effortless power, confident towing capability, and composed performance across all terrains. The Platinum specification brings premium touches including a touchscreen infotainment system with Bluetooth and Apple/Android CarPlay, a reverse camera, dual-zone climate control, cruise control, a comprehensive airbag suite, and a factory security system — all wrapped in a spacious and well-appointed double cab interior. With its strong build quality, advanced safety features, and versatile load bed, this Ranger Platinum is equally suited for demanding work tasks or luxurious everyday driving.
