Description

Discover the rugged reliability and versatile performance of the 2025 Ford Ranger 2.0 Sit Double Cab XL Manual in stunning Frozen White. Powered by a 2.0 turbo diesel engine, this robust pickup offers 125 kW of power and 405 Nm of torque, ensuring efficient and confident handling on any terrain. With a remarkable average fuel consumption of 6.9 liters per 100 km and an impressive fuel range of up to 1,159 km, the Ranger is built for long journeys and demanding tasks alike. Designed for practicality and comfort, this model features cruise control for effortless driving and a camera for park distance control, enhancing safety and convenience during urban maneuvers. The spacious double cab provides ample room for passengers and cargo, making it ideal for both work and leisure. Backed by a comprehensive warranty with 120,000 km remaining, the Ford Ranger 2.0 Sit Double Cab XL Manual is a dependable choice for those seeking a fusion of power, efficiency, and versatility in their vehicle.
