Description

Enjoy peace of mind knowing your vehicle comes with the full service history. Bold and assertive, the XLT is a great example of our global Built Ford Tough design. The new upper front grille with a central chrome bar interlocks into the distinctive C-Clamp LED headlamps. More comfortable and more durable materials in dark colors and accents complement the XLT's bold new exterior. The door trims feature a new hex pattern, and the air vents a satin aluminum finish to create a tough, but stylish interior. We provide a Roadworthy Certificate and a 160 multi-point Ford Approved quality check on all of our vehicles for your peace of mind. Arrange a test drive with any of our professional and friendly sales executives. Any trade-in welcome. Easy finance available within 3 hours. The price excludes dealer fees and smash and grab protection film. Errors and omissions Reserved. T&Cs apply.

Simon Vermooten Rd, Waltloo, Pretoria, South Africa

Located at CMH Ford Hatfield
