### Description

Experience the practicality and comfort of the 2026 Kia Seltos 1.5 LS Auto, designed to meet the demands of modern driving. With its front-positioned 1.5-litre petrol engine, this versatile SUV delivers an efficient performance with an average fuel consumption of 6.3 litres per 100 km, allowing for an impressive fuel range of up to 794 km. The 84 kW power output and 144 Nm of torque ensure a smooth ride, while the top speed of 170 km/h and acceleration from 0 to 100 km/h in 12.3 seconds offer reliable agility on both urban roads and highways. Ideal for families and daily commuters, the Kia Seltos 1.5 LS Auto combines a spacious interior with practical features to enhance your driving experience. Its i4 cylinder layout ensures balanced performance, while the 50-litre fuel capacity provides ample range for extended journeys. Although it lacks a warranty, the vehicle's build quality and Kia's reputation for reliability offer peace of mind. With an average CO2 emission of 154 g/km, this model maintains a responsible footprint without sacrificing performance. Discover the blend of style, comfort, and efficiency with the 2026 Kia Seltos, perfect for those seeking a dependable and versatile vehicle for daily
