Description

This 2026 Ford Ranger 2.0 SiT Double Cab XL Auto in Frozen White is a clean, late-model bakkie with full franchise service history and a balance of factory warranty up to 120 000 km for extra peace of mind. The proven 2.0 turbo diesel engine delivers 125 kW and 405 Nm, offering strong towing and load capability with an impressive average consumption of 7.5 l/100 km and an estimated range of over 1 000 km from the 80 litre tank. Inside, you get the comfort and convenience you want for daily use and long trips: automatic transmission, cruise control for relaxed highway driving, and rear PDC with reverse camera for easy parking in tight spaces. Alloy wheels complete the modern look, while Ford's safety and quality reputation, backed by its warranty and full dealer history, make this Ranger a smart, low-risk buy. Ideal for work and family, this is a ready-to-go double cab that is well cared for, economical to run and priced to sell quickly.
