Description

Discover the all-new Suzuki Celerio 1.0 GA, a charming white hatchback perfect for city adventures. With only 10 km on the clock, this fresh-off-the-line vehicle promises reliability and fun. Its compact size makes parking a breeze, while the manual transmission adds an engaging driving experience. Powered by a lively 49kW petrol engine, the Celerio offers impressive fuel efficiency with an average of 4.4 litres per 100 km and a generous fuel range of around 727 km. Safety is a priority, featuring six airbags and standard ABS to keep you secure on the road. Climate control and air conditioning ensure comfort no matter the weather, making every journey enjoyable. Designed with practicality and style in mind, this hatchback is ideal for urban dwellers or those seeking a reliable, economical runabout. Eshowe Ford in Kwazulu Natal is proud to present this fantastic new vehicle, ready to hit the streets with its sleek white finish and modern features. Whether you're commuting or exploring, the Suzuki Celerio 1.0 GA is a smart choice for drivers who want a fun, dependable, and efficient car.
