Description

The Chery Tiggo 7 Pro 1.5T Distinction CVT is a stylish and feature-packed SUV that blends affordability with modern technology. Powered by a 1.5liter turbocharged petrol engine, it delivers 108 kW of power and 210 Nm of torque, paired with a continuously variable transmission (CVT) for smooth and efficient driving. This setup makes it well-suited for both city commuting and longer journeys, offering a balance between performance and fuel economy. Inside, the Tiggo 7 Pro Distinction emphasizes comfort and sophistication. The cabin features premium leatherette upholstery, a 10.25-inch touchscreen infotainment system with Apple CarPlay and Android Auto, and a digital instrument cluster that enhances the modern feel. Convenience is boosted by keyless entry, push-button start, and dual-zone climate control, while the spacious interior ensures ample legroom and cargo capacity for families or active lifestyles. Safety is a strong focus, with six airbags, ABS with EBD, electronic stability control, hill-start assist, and a 360-degree camera system included as standard. These

features provide peace of mind and make the Tiggo 7 Pro competitive against more established rivals in the compact SUV segment. On the exterior, the Tiggo 7 Pro Distinction stands out with its bold grille, LED headlights, and sleek body lines, projecting a premium look that belies its accessible price point. Alloy wheels and roof rails add to its sporty yet practical appeal.
