### Description

This 2026 Ford Ranger 3.0TD V6 Double Cab Wildtrak 4WD in grey is a high-spec bakkie that's been properly cared for, backed by a full franchise service history and balance of factory warranty for extra peace of mind. The 3.0 turbo diesel V6 delivers 184 kW and a strong 600 Nm, giving you confident towing and overtaking, while averaging around 8.4 l/100 km from its 80 litre tank for an impressive range of up to 952 km. Ideal for both work and family, this Wildtrak offers serious off road ability with 4WD, yet remains comfortable and refined for daily driving. The low CO2 figure of 222 g/km is respectable for the class, and the combination of power, efficiency and full dealer history makes this a smart, low risk buy. Well suited to buyers who want a capable, modern double cab that is ready to drive away and work from day one. Act quickly 2026 V6 Wildtraks in this condition are in high demand.
