### Description

This 2026 Ford Ranger 2.0 SiT SuperCab XL Auto is a latemodel workhorse in excellent condition, backed by a factory warranty and full franchise service history for extra peace of mind. The proven 2.0 turbo diesel engine delivers 125 kW and 405 Nm, offering strong towing and load capability with an average consumption of just 7.5 l/100 km and an impressive theoretical range of around 1 067 km from the 80 litre tank. The automatic transmission, cruise control and rear park distance control make daily driving and tight manoeuvres easy, while alloy wheels add a smart, modern look to the white exterior. Ideal for business or mixed work and leisure use, this SuperCab offers practical space behind the seats for tools or gear. A clean, well maintained bakkie like this is hard to find; secure it now and put it straight to work.
