Description

The 2025 Ford Ranger 2.0D XL 4x4 A/T Double Cab is built for drivers who need toughness, capability, and everyday practicality in one dependable package. Its efficient 2.0-litre diesel engine delivers strong torque and low running costs, while the automatic transmission and 4x4 system provide confident control on gravel, worksites, or weekend trails. Inside, the Ranger XL offers a functional, comfortable cabin with modern connectivity and essential safety features. With impressive towing ability, durable build quality, and Ford's proven reliability, this Ranger is the ideal partner for business, family, and adventure.
