Description

Introducing the brand new Ford Ranger 2.0D XL HR 4x4 Auto SuperCab, a robust and reliable pick-up ready to tackle any adventure. With an eye-catching white finish, this vehicle combines style with practicality. It boasts a powerful 125kW diesel engine, offering an impressive fuel range of over 1000 km and efficient consumption at just 7.7 litres per 100 km. Equipped with a smooth automatic transmission and 4x4 capability, it's perfect for both work and play. Inside, enjoy modern features including Apple CarPlay and Android Auto, climate control, cruise control, and a rear-view camera to make every journey safer and more enjoyable. The vehicle also comes with essential safety features like six airbags, ABS, and park distance control, ensuring peace of mind on every trip. Additional comforts include electric windows, an alarm, a towbar for extra versatility, and radio for entertainment. With only 10 km on the clock, this new Ranger is ready to hit the road. Brought to you by Eshowe Ford in KwaZulu-Natal, it's the ideal blend of power, comfort, and style. Price is subject to ford credit

and is does not include service plan or any extras that do not come standard.
