Description

This 2026 Suzuki Fronx 1.5 GL Manual offers peace of mind with a full franchise service history and a balance of factory warranty up to 200 000 km. The proven 1.5l petrol engine delivers 77 kW and 138 Nm, with an impressive 5.5 l/100 km average consumption and an estimated range of around 673 km from the 37 litre tank, making it ideal for both city commuting and longer trips. Its reliable i4 setup, low CO2 emissions and sensible running costs make it a smart, long term choice. Inside, the Fronx GL focuses on everyday comfort and convenience, with a modern, well laid out cabin designed for family use and daily driving. The elevated ride height and practical interior space provide a relaxed driving position and easy access. This is a late model vehicle with warranty cover, adding extra security against unexpected costs. A great opportunity to get into a nearly new, economical crossover at an attractive price point.

Simon Vermooten Rd, Waltloo, Pretoria, South Africa

Located at Leons Motors
