Description

2023 BMW 118i Mzansi Edition in white, with full franchise service history and balance of BMW warranty up to 100 000 km, offers peace of mind and low running costs. The efficient 1.5l turbo petrol engine (i3) delivers 103 kW and 220 Nm, 0-100 km/h in 8.5 s, and an average of 5.9 l/100 km with an estimated 712 km range, making it ideal for both city and highway driving. Front engine layout, 42 l fuel tank and 213 km/h top speed underline its solid performance, while CO2 emissions of 135 g/km keep it relatively eco friendly. Inside, the Mzansi Edition brings a premium feel with sporty detailing, high quality materials and advanced BMW infotainment for seamless connectivity and everyday comfort. This well kept example has been maintained to manufacturer standards, and the remaining warranty plus full dealer history help reduce ownership risk and future repair surprises. A strong value option for buyers wanting a stylish, well specified and reliable BMW hatch that is ready to drive away.

Simon Vermooten Rd, Waltloo, Pretoria, South Africa

Located at Basil Green Auto
