### Description

2023 Nissan Navara 2.5DDTi LE Double Cab in white, backed by a balance of factory warranty and full franchise service history for extra peace of mind. Powered by a proven 2.5 turbo diesel engine delivering 140 kW and 450 Nm, it offers strong towing and load capability with impressive average consumption of just 8.1 l/100 km and an 80 litre tank for a potential range of up to 988 km. This makes it a practical choice for both work and family use, with reliable performance and manageable running costs. This LE spec Navara combines comfort and toughness, ideal for daily commuting, long trips and weekend adventures. The full Nissan service history confirms careful maintenance, helping to protect your investment and simplify finance approval or future resale. If you are looking for a late model double cab that is still under warranty, economical and ready to work immediately, this Navara is a smart buy that is unlikely to stay on the market for long.
