Description

2026 Suzuki Eeco 1.2 Panel Van in white, ideal for small businesses, deliveries, and trades. This unit comes with a full franchise service history and balance of factory warranty, giving you peace of mind on reliability and running costs. The proven 1.2l petrol engine delivers 59 kW and 104 Nm, with an impressive average consumption of just 5.4 l/100 km and an estimated range of around 593 km from the 32 litre tank, keeping fuel expenses low. Practical, easy to drive, and cheap to maintain, the Eeco offers simple, robust mechanics that are built for daily use. The spacious panel van load area is perfect for tools, parcels, or stock, while the compact size makes city driving and parking effortless. This is a smart, budget friendly workhorse ready to go straight to work. Enquire today to secure this well looked after, low running cost business partner.
